Petition Council To Extend Garbage Collection

The regular meeting of the White Rock Ratepayer's Association was held in the Canadian Legion hall, on Friday, June 19th, when eighteen members were present, a better attendance than for some considerable time.

President John Newton was in the chair, and W. H. Haynes was handling the duties of secretary.

Discussion took place relative to correspondence and action taken in connection with the Tanizaki poultry situation on Kell avenue and as considerable correspondence had taken place between this association and the Municipal clerk and it was considered that no further action could be taken, the file pertaining to same has now been filed away until some other situation, if any should arise.

In connection with the question of the obstruction of Columbia between Stevens and Kell avenue, Councillor Frank reported receiving a communication from the secretary of this association relative to same constituting a nuisance to people walking on that road, and he advised that he had taken the matter up with the road foreman, and the matter would receive immediate attention.

The secretary advised that up to the time of the meeting he had not received any communication from the Great Northern Railway in connection with the Flag Station between White Rock and Blaine, and the matter was therefore left in abeyance until the next meeting.

President John Newton, also Mr. H. Foley, president of the Canadian Legion gave interesting information to the meeting as to what had taken place at a recent meeting held in the Canadian Legion hall at the instance of the Canadian Legion, when members of every organization in White Rock had been present, in connection with the strenuous efforts being made to obtain the services of a medical practitioner for this district. President Newton was appointed on the committee of five to bring the matter to a successful conclusion.

The question of a municipal garbage collection being made on the Stayte road in the area bounded by Pacific and Columbia streets was taken up and Councillor Frank advised the association as to what would have to be done to obtain such service, and he promised to advise the secretary as to the existing boundaries of the garbage collection, with a view to the ratepayers in the Stayte road area getting up a petition, which had to contain 66 and 2-3 per cent of the taxpayers in that district. The petition will be set in motion as soon as the secretary is in receipt of the necessary information from Councillor Frank.

The next regular meeting will be held in the Canadian Legion hall on Friday, July 24th, when it is hoped that all ratepayers in the White Rock area will attend.

Aymerick Vidal in writing home has some interesting things to say about his Atlantic crossing, landing in Ireland, and trips through Scotland and England to Bourmouth where he is now stationed with the R. C. A. F. Aym says that Punch Thompson and Bill Sherry are both in Bourmouth, and that he intends looking them up soon.

The Waterworks Co. are laying water pipes east to Hagood street from Kell avenue on Pacific.

No Ill Effects To blood donors

Coffee and biscuits but no alcoholic beverage was supplied to the fifteen White Rock and vicinity residents who opened an account at the Red Cross blood bank last Wednesday.

Chief reaction was that of surprise that the whole process was so simple and attended with such few formalities. Questions asked each donor on only concerned age, name and past illnesses experienced by the individual. No ill effects were noticed afterwards, although one or two suffered from the excitement.

Organized by G. A. Cook, the party included M. Armstrong, C. W. Amos, Kenny Moffatt, Art McDonald, J. Best and O. Bjornsen.

FAREWELLED

At the White Rock Theatre on Thursday evening a goodly number of friends gathered to hold a farewell to Rev. and Mrs. Dewar who have been residents of this town for quite a number of years. They will leave White Rock next week to take up their newly chosen Mission work at Crescent Beach.

A nice programme of music was carried out consisting of violin and vocal numbers and a couple of brief addresses.

After the programme a dainty lunch was served and the party then departed for their respective homes.

Last Thursday evening, Mrs. C. A. Cunningham and Mrs. H. H. Mitchell were joint hostesses at a social gathering at the home of the former, to honor Mrs. M. H. Harwick, who leaves soon to reside in White Horse, An enjoyable evening was spent, with the guests taking part in contests and games. The winner was Mrs. H. D. Abbott. This was followed by the serving of dainty refreshments; serveurs being Mrs. Fred Seabrook and Miss Donaldson Northover.

Her many friends presented Mrs. Harwick with a gift, saying how they would miss her, but wishing her every success in the future.

Mr. and Mrs. Leo Williams have just received the announcement of the marriage of Miss Laura Marie DeB. Mitchell and Mr. Arthur Ake Tennyson at Laguna Beach, Calif. on June 13th. White Rock people will recall Miss Mitchell as the noted miniature artist who visited her cousin, Mrs. Williams on her way to and from Prince Edward Island. Mr. and Mrs. Tennyson will be at home at 903 North First St. Alhambra, Calif. after the first of July.

A family re-union was held at the home of Bernie Lein this week when four brothers were together for the first time in sixteen years. The reunited brothers were: Alf, of New Westminster, Lee, of Ketchikan, Alaska, and Egil, of Camrose, Alta.

Dick and Stan Barron, both with the R.C.A.F., were week-end guests of their uncle, Mr. Barney Barron. Dick is stationed at the Ford plant in Burnaby and Stan is at Patricia Bay.

Reeve Mussallen of Maple Ridge Municipality, Mrs. Mussallen and young daughter and their two grand children were in White Rock on Sunday afternoon. They called on old friends, Mrs. Haynes and F. A. Brisco, of Stayte road.

Mrs. Bradshaw returned home this week from a ten day vacation in Victoria visiting her husband, who is in charge of Canadian War Services at that point.

Fire Brigade And A.R.P. In Joint Demonstration

Helmeted and ready for any emergency, the Fire brigade put on a demonstration Wednesday evening in conjunction with the First Aid.

The scene was the White Rock hotel. As soon as the fire truck reached the hotel, the hose was quickly pulled out and the ladders placed against the building. Then the lowering of dummies on stretchers from a second floor room was displayed, carried into the hotel and live casualties brought out for the First Aid to prepare them for transportation to the First Aid post at Kalleys Two firemen were lowered by ropes, one of them supposed to be overcome by smoke was given first aid treatment on the ground before being taken to the post.

This was a very creditable demonstration and pleased the fair sized crowd that had gathered to see the display. During the demonstration a special stretcher, made by Fred Varty, instructor of the First Aid work, was inspected by District Warden Hoggarth, Reeve Brown John Farmer and several others, which was highly praised. A patient is applied for.

Pte. G. R. Charles, with the R.C. A. S. C. at Esquimalt, was home over the week-end.

Railroad Installs Safety System

Known as the "block system", an automatic device designed to prevent such disastrous railway accidents as happened last summer when Great Northern and C. N. R. trains collided between Vancouver and New Westminster, is being installed from Bellingham to Vancouver.

D. Rodin, foreman of the G. N. Signal crew, says the system is complete between Vancouver and New Westminster and that the installation from Westminster to Bellingham will be complete by fall. The crew has been stationed here since the first of May and will move south sometime next month.

The system, when complete, will be installed all the way from St. Paul, Minneapolis to Vancouver.

Mr. Rodin, who has charge of installation of signals west of Spokane, says priorities have considerably slowed down their work. This is especially true of electrical equipment as the device is based on electrification of the rails so that the passage of a train makes and breaks contacts which in turn controls the signals.

Pat Cavanagh has been home on leave from the army at Vernon.

Display Tea Exhibites Work Of Organizations

The annual Display Tea for the Red Cross and Y Bundles was held in the Anglican church hall on Monday afternoon. The work of both organizations gave an idea of the amount and quality that is being shipped in one month. The Junior Red Cross had an interesting table in charge of Miss Elinor Bradshaw. Mrs. H. Foley and Mrs. A. Hawkshaw with Mrs. A. Edwards presided over the Red Cross exhibit, while Mrs. Annie Shaw exhibited the work done by Y Bundles. Miss D. Crane was in charge of the room and was assisted by Mesdames T. Weston, H. Sheppard, H. Baker, Mrs. W. Calderbank and Mrs. W. J. Moffat poured from a table centered with antirrhinums and rosebuds.

The serveurs were Mesdames Saunders Collishaw and Davis. The flower table was in charge of Mrs. T. Hoggarth and Mrs. Peter Ballard sold choice articles from a Superfluous table. Two raffles, conducted by Mrs. H. Weston, were drawn for by Julia Henshaw. The bed-jacket, donated by Mrs. Wallace, went to Mrs. W. J. Barge and the lunch cloth, presented by Mrs. Harry Vidal, to Mrs. T. Hoggarth.

Mrs. Frank Thomas, of Victoria, is the guest of Mr. and Mrs. Jarvis Royal avenue. During her stay here Mrs. Thomas paid a visit to Mr. and Mrs. Abbott.

In honour of Miss Louise Wahl whose marriage will take place on Sunday, Mrs. Guy Graham and Miss Florence Aitken combined their hospitality Wednesday at a miscellaneous shower in the home of the latter. The gifts were presented in a large mauve and yellow basket, and centering the dining room table was a lovely bride's cake. Mrs. W. Wahl Miss Peggy Hardy and Miss Mary Aitken assisted the hostesses in serving.

During the afternoon several contests were organized, winners being Mrs. Eddie, of Blaine, Mrs. Henry and Miss Peggy Hardy.

Credit Is Due The A.R.P.

In observing the systematic and thorough manner in which the members of the A. R. P. organization, the First Aid unit, and Fire Department went about their work in the practice "air raid" at the White Rock hotel Wednesday night, one was deeply impressed with the thought and application that has been given to civilian defence in White Rock.

It is quite evident that careful study has been made by the personnel of first aid methods, under the able instruction of Fred Varty, who has given freely of his time in teaching first aid work. Credit is due too to the efficient way the fire brigade has been built up under the supervision of Mr. T. Hoggarth.

A complete organization has been worked out by the leaders of the several arms of defence; and all that is lacking is a little more general recognition of their importance in preparation and application by a small percentage of our citizens.

The activity of the fire department, the ready response of air raid wardens, and first aid workers, the flash of stretchers, application of splints and bandages all gave a colour of real tragedy. All that was lacking to make it real was the sound of bombs, the moans and groans of wounded and the odor of iodine.

War is upon us and danger threatens and every possible aid should be given to civilian defence.

Vacation Time

This the time of the year when most people are looking forward to the long holiday season, it is the last few days of school, examinations are nearly over. For some of the older students it means getting some kind of work, either to earn a little extra or to help them in their further studies. But to the younger ones, it is the laying aside of all school things and just having a good time.

The parents also are looking forward to this season to relax a little. But most of us have to continue our daily grind, nevertheless we can take comfort in this that if we do our work to the best of our ability; the knowledge that it is well done give a satisfying feeling.

Next week is Army Week when civilians may be able to see the army at work. To those who have the opportunity, we suggest that they take time to do so.

re "Allied Forces Exemption Act, 1939"

For the purpose of recording the names of Surrey residents who are engaged on Active service in the present war in any capacity whatever, either at home or abroad, and also to ascertain who are entitled to the protection of the above Act in relation to the sale of property for delinquent taxes, the undersigned invites written information as to such names, with full particulars (if possible) of the branch of Service, regiment and regimental number.

The co-operation of relatives and friends of men or women on active service will be appreciated.

COMMUNICATIONS

Dear Sirs—

On Wednesday evening, June 17, a little band from White Rock and another from the Sunnyside district went into Vancouver to donate their blood to the Red Cross.

Comparing the possibilities the White Rock band was very small. Blood donors are needed in far greater numbers than have volunteered up to the present time and in this regard White Rock has nothing to be proud of.

The most enthusiasm shown so far in the writer's presence was at the last Sunnyside first aid meeting where the chief warden of the district and the class teacher, promised to give the matter attention; at other A.R.P. and first aid meetings five volunteers were secured.

It is to be feared there are some who like to shine in prominent places and pose as patriots, who are not so patriotic when real sacrifice is asked and needed, and not so much limelight shown.

Various excuses have been given to the writer why different individuals could not donate their blood. In the writer's opinion they were in many cases invalids.

Doubtless too, large numbers have not seriously considered their duty in this respect.

Fear to their health is the chief excuse. Anyone who voted yes in the recent plebiscite, to conscript others to risk health, life, and limb, in fighting their battles, and will not then in turn, take the slight risk necessary by donating their blood to save such a life when opportunity offers "should not have their names written on the roll of the brave or patriotic, irrespective of their seeming patriotism.

It should be clearly stated that to the average person of fair health little risk to health is likely.

Some are too busy, but were it the life of one of their own dear ones they would quickly find time, and take the small risk. We might all remember the words, "And Thou shalt love thy neighbour as thyself"

In this crusade where do the preachers of White Rock stand? Have they donated their blood, and placed the christian patriotic duty squarely before their congregations? "Not every one that saith unto me 'Lord, Lord', shall enter into the Kingdom of heaven". I understand the response for blood donors has been so small that women are now being asked to volunteer. Perhaps some of our men who are so anxious about their health, would like the women to fight for them too.

I trust every one who reads this letter will seriously consider it, as it applies to themselves, remembering that some of our brave men, women and children's lives, have already been saved by donated blood and doubtless others have died through the lack of it.

Let us each and everyone ask ourselves, am I a christian and a patriot, and if then we feel secretly ashamed of ourselves, do something about it.

Yours truly,
Geo. A. Cook.

WHITE ROCK BRANCH SHOWS EXCELLENT RESULTS

We did not foresee this war, but we were prepared. In 1938 we added a second 47,000 h.p. unit to our Ruskin plant, bringing the capacity of our mainland system up to 250,000 h.p.

There is still plenty of power—enough for two years yet at the normal growth. War production? Sure, we're helping with everything we've got.

Theatre News

"Song of the Islands" is the screen show for the beginning of the week. The romance and splendor of the South Seas dovetailed into the romance of Betty Grable and Victor Mature. Its the battle of the O'Brien and Harpers and a romance doing handclaps between rounds.

Also "Glamour Boy". See how movies are made in a romantic story of the movies with Jackie Cooper and the rebellious song bird Susanna Foster.

For the end of the week the Park presents "My Favorite Blonde". Bob Hope follows a master spy plot in the Bob Hope manner. And it's a wow. He blocks the Nazis but can't escape Madeleine Carroll's web.

Also "Look Who's Laughing" with your four favorite radio stars, Edgar Bergen, Charley McCarthy, Fibber McGee and Molly. All together in one hilarious laugh sensation.

It's one long continuous howl as Radio's top stars become involved in a tangled business deal.

GARDEN NOTES

The frequent showers are preventing adequate spraying being done, so that insects are having things much their own way. It is possible to keep them in check by spraying between showers. Slugs are busy as that a spoonful of Meta should be sprinkled in the shade of a large leaf, where it will keep its poison qualities for at least twenty-four hours.

Mildew which is a vegetable parasite carried on the legs of small insects is hard to combat. The principal carriers of this fungus are the tiny spiders which infest rose bushes at this time of year. A strong spray of nicotine applied when they are just hatching out will cut off their activities.

The eggs of these spiders are laid in bunches from which the young travel out on silk threads. If the mildew has begun growing the best cure is sulphur sprinkled on in the early morning when the leaves are damp. The sun shining on this cause the particles of sulphur to explode and spreads the gas about. Wildwood recommends a cheese cloth bag for this sulphur spreading, tapping the bag with a stick to keep the powder dusting. Another useful container is an old spice box, which dusts quite freely.

T. W. S. Parsons, Provincial Police Commissioner, Victoria, and Provincial Fire Warden William Walker, were White Rock visitors during the past week.

"Oncozy," the large home of Rev. Alva MacKay of Mission, has been sold to Mr. H. G. Thompson of Vancouver. Mr. Thompson is employed in the North Vancouver shipyard, but plans to make this a permanent home for his wife and family.

With the sale of this property there passes a unique service to the young people of the province. For several years Mr. MacKay has made the premises available to religious education groups. Its tennis, badminton courts and dormitories have made it ideal for the use of as many as forty campers at a time. The Christian Student Movement, the C. G. I. T. and other organizations have used it frequently for weekend retreats or for councillor's meetings.

Mrs. W. Bradshaw is spending the week in Victoria, visiting Mr. Bradshaw who is in charge of the Legion War Services.

Metropolitan Tabernacle, White Rock, held its Sunday School Picnic last Saturday. The outing to Crescent Beach was enjoyed by all and a great success. There were 84 present. Thanks to all who assisted in any way.

RED CROSS FLASHES—JUNE

During 1940-41, Canada has shipped 11,954,928 articles overseas. To this grand total British Columbia contributed 1,562,864. Study these figures and you will see that proportionately we have not failed to do our share.

Mr. J. W. Blighy is mourning the death of his mother, Mary Ann Blighy, who passed away at Vancouver on June 19.

Harry Godkin has found employment on one of the C.P.R. Steamships.

C.P.R. Shopmen Give Gun For Freedom

Canada's mounting share in the fight against the Axis was emphasized by Brigadier P. M. W. Harvey, V.C., Officer Commanding Military District 13, when on Saturday afternoon, May 23rd, he received the 100th naval gun, produced at the Canadian Pacific Railway's Ogden shops, at Calgary, as a gift from the munitions workers there to the nation.

"Let us hope that it goes into action soon," he said, "on a Canadian ship, with Canadian gunners behind its sights."

Although rate of production at Ogden has not been revealed by authorities, the 100th piece of

war ordnance came off the assembly line there some time ago. Paying all shop costs and cost of the employee presented it to the country in a simple but impressive ceremony marking, as one of the speakers said, a fine spirit of national and industrial solidarity.

The gun itself is an all-purpose naval weapon, designed for use against submarines and surface craft, as well as sky raiders, throwing a shell of approximately 12 pounds from its long barrel.

In receiving the gun from R. Alderman, representative of the shopmen, Brigadier Harvey represented

Hon. C. D. Howe, Minister of Munitions and Supply for Canada. The Canadian Pacific Railway Company was represented by W. A. Mather, vice-president of Western lines, who officially received from the employees a cheque for shop costs on the gun, and by H. B. Bowen, Chief of Motive Power, from Montreal, J. L. Gubbins, works manager, acted as chairman.

The Guard of Honor was made up of war veterans among the shopmen under Capt. McLennan.

Pictures show Brigadier Harvey inspecting the Guard of Honor, the gun and a glimpse of the actual presentation ceremony.

THE CORPORATION OF THE DISTRICT OF SURREY

Re Noxious Weeds

In view of the abnormal growth of all kinds of weeds this year it is doubly essential, for the protection of farmers, that prompt steps be taken now to cut and destroy all thistles, burdock, yellow dock, wild mustard, wild turnip, ox-eye daisy, ragweed, charlock, lupin and all other weeds growing or standing on any lands in the Municipality before the said weeds flower, ripen or come to seed.

The Municipal Council invites the co-operation of all land owners in Surrey in the eradication of the weed menace on their own lands in order that it may not be necessary to invoke the powers given by Statute.

Dated at Cloverdale, B. C. this 11th day of June, 1942.

BY ORDER OF THE COUNCIL
John G. Farmer,
Clerk.

The SNAPSHOT GUILD

PROPS IN PORTRAITURE

Simple props, such as the tennis racquet and visor worn by this attractive model, will help to make your informal portraits successful.

Informal portraits sometimes fail because of two reasons: first, the subject may be one of those people who just can't appear at ease before a camera; second, the subject has nothing to do and thus appears artificially posed. There's not too much we can do about the first situation, but it's easy to remedy that second condition. Just introduce a few "props."

What are props? Well, in its photographic sense, the term covers practically any existing or fancied object. But generally speaking, props for informal portraits include only ordinary items found in almost any home. For instance, in this week's illustration the tennis equipment could well come under the heading of props. Perhaps the subject is a tennis player—it doesn't make much difference—because she poses as if she had been playing. And the props in the picture are

almost totally responsible for that effect. Take them away, and you'd have nothing but an ordinary picture of a rather attractive girl.

Clothes, although most of us don't think of them that way, come under the heading of props, just as do books and chairs. Different clothes will create different moods in informal portraiture. For instance, consider how changed our tennis player might appear in an evening gown. Take advantage of that fact the next time you picture people. Show them in several different types of clothes.

You'll find it pays to assemble a grab bag of different types of props for use in informal portraiture. Include sports' equipment, books, drapes, different types of hats, etc. It will help to make your informal portraiture more interesting to your subject, as well as to you.

Recruiting Here Every Friday

Sergeant R. Collins, of the recruiting staff, is in White Rock every Friday recruiting for all branches of the Canadian Army. Sergeant Collins stresses the fact that there is an urgent call for men for the army, especially men for the Veterans Guard.

Women too are being recruited for the C.W.A.C. These are now

recognised as an integral part of Canada's armed forces with ranking equivalent to their brothers in service. Particulars as to pay and other matters can be obtained from Sgt. Collins at the Legion hall any Friday.

H. Hewett, last week, saw on a post a new bird to him, the coloring on the body was a bright yellow, coal black wings and the top of his head was a deep red. Can anyone tell the name or species of this bird?

Mrs. Clark, of Vancouver, is the guest of her daughter, Miss Mildred Clark. Mrs. Clark was guest of honor at the tea hour on Wednesday when other guests included, Mrs. Garland Foster and Mrs. Leo Williams and Mrs. Cornish.

The Municipal truck has taken in two loads to the Salvage depot this week on Monday a load of old rubber and Tuesday a load of old rags and clothing.

Among the guests enjoying the hospitality of White Rock hotel are: Mr. Ross Dawson, of Toronto. Mr. E. Turley; Mr. Ken Almond; Mr. and Mrs. Stanton; Mr. and Mrs. James W. Mortimer; Mr. and Mrs. McDonald; Mrs. G. Sangster and party; Mrs. L. Linford; Miss Dorothy Jones; all of Vancouver.

Terry Hogarth, with the Navy on Atlantic convoy duty, is expected home on leave this month.

Leslie Brumpton and Frank Stevenson, R.A.F. stationed at Calgary, guests of Mr. and Mrs. A. J. MacDonald over Tuesday and Wednesday. They were also the dinner guests of Mr. and Mrs. J. Best on Sunday last.

Mr. and Mrs. James McArra, of Edmonton, Alta., are holidaying at the Coldicutt Villas, during the week-end they paid a visit to an old time friend, Mrs. W. Hosler.

WARNING!

If it is not already on its way to
Rationing Headquarters you should

MAIL YOUR APPLICATION CARD FOR COUPON RATIONING AT ONCE!

After July 1st no one will be able to purchase sugar for regular domestic use without turning in a ration coupon.

Application cards for coupon rationing for sugar have now been mailed to every household in Canada. But, in an undertaking so vast, some homes may have been missed, or some cards may have gone astray. So, no matter where you live, whether it is in areas served by letter carrier or not, if your application card is not already on its way to Rationing Headquarters, you should wait no longer.

After filling in the card, according to the instructions on the pamphlet which was delivered with it, just drop the card in the nearest mail box or post office. It needs no forwarding address.

IF YOU HAVE NOT RECEIVED AN APPLICATION CARD you should get one at the nearest Post Office at once.

All Post Offices have received full instructions to rush application cards for coupon rationing to the nearest Wartime Prices and Trade Board Office, where they will get immediate attention and the coupon ration cards mailed right back to you.

The ration cards being issued for use July 1st are for sugar only, and good for 10 weeks. At the end of that period a coupon ration book good for 6 months will be issued. Under the new system of coupon rationing, you are allowed the same

amount of sugar as at present— $\frac{1}{2}$ lb. per person per week. The same provision as at present for

additional quantities for preserving and jam and jelly making will be continued. Special voucher forms for this purpose are being supplied all retailers.
